Horizontal columns called Ranges are numbered 1 to 9.

Ranges are subdivided into plots lettered A to W.

Plots are subdivided into graves as shown in the following diagram.

Each grave measures 24' x 9' with 1' of space intervening as in the following diagram.

Additional graves numbered:
- 1A, 2A in Range 4 - Plots C, H, and
- 2C, 3C in Range 5 - Plots D, J, W.

Each grave measures 3' x 9'.

Plots bordering the perimeter of the Section are numbered 1 to 63 and are subdivided into graves as in the following diagram. Each grave measures 24' x 9'.

Plots numbered 64 to 91 are subdivided into graves as in the following diagram. Each grave measures 24' x 9' with 1' of space intervening as in the following diagram.
