

This Standard applies to all plots.

Slant face markers only shall be permitted on plots 1 to 104.

Slant face markers shall be of uniform size and shall measure 2'-0" x 1'-0" x 1'-4" high for single grave plots, and 3'-6" x 1'-0" x 1'-4" high for two-or-more grave plots.
The vertical height at the front shall measure 4'-4".
The horizontal width at the top shall measure 0'-3".

All slant face markers shall be set back-to-back.

On plots 200 to 557 measurements may not exceed the following dimensions:
LENGTH - 1'-4"
WIDTH - 1'-4"
HEIGHT - 5'-0"
